New Signs Promoting Chase Lake & Medina

Chase Lake Foundation Directors Karl Limvere and Marvin Dockter recently added new signage to the Medina community's Interstate 94 signs to promote the Chase Lake Visitors and Information Center located in downtown Medina at the City Hall. The new I – 94 signs are part of the Foundation's promotional efforts which will also include a new sign coming into Medina, together with directional and site signs along the Medina - Chase Lake Birding Trail. These birding trail signs will correspond to the trail guide booklet that the Foundation developed and published in 2005 and is available at the Visitors Center for birders and other tourists. The new signs are being funded through member donations to the Foundation, together with support from the Medina Lions Club, Sheyenne-James RC & D, Buffalo City Tourism Foundation and the US Fish and Wildlife Service.
